Monday 22nd May 2017

Dear Parent/Carer,

As you are aware the GCSE examinations are now in full swing and the behaviour of the students in the examination hall has been impeccable. Students are not, however, currently on study leave and must attend school as normal. It is the legal responsibility of parents and carers to ensure that the children in their care attend school unless they are too ill to do so. Any other absences will be unauthorised and the usual attendance procedures will apply. When students are not taking an examination they are attending normal lessons. Teachers are continuing to teach and to provide essential revision sessions during lessons.

There is further support available to students in departments. After school revision sessions are continuing in science (Monday), maths (Tuesday) and English (Wednesday). Other departments are running sessions on the morning of their examination and there are lunchtime sessions in English and history. There is a programme of workshops during the May half term break and you will find the timetable on the back of this letter.

Please do not hesitate to contact me, Mr Maltby (PPC for yr 11) or Mrs Russell (Senior PPC) should you have any questions.

Yours sincerely,

Mrs D. A. Burke
Deputy Headteacher
