Date 23<sup>rd</sup> February 2016

Dear Parents/Carers,

I hope that you have all had a restful half term and are ready to work with us as we move into an important time in your children's education. As you know from the letter sent by Mrs Burke on the 4<sup>th</sup> February we are holding an Information Evening for parents of Year 8 students in school this Thursday the 25<sup>th</sup> February. The evening is designed to provide both yourselves and your children with details about the decisions that need to be made for the start of Key Stage 4 this September.

All students have been provided with an individual and personalised Option Form which indicates the venue and time of the talk that you will need to attend; this information is on the bottom right hand side of the personalised Option Form. There will be four separate talks between 6.00 and 7.30 pm during the evening depending on the Y9 Pathway that your children will be joining. As well as the personalised talks, which will last about 20 minutes, all the Option Subjects will have staff and resources available in the Assembly Hall between 6.00 and 7.30pm so that you can ask subject specialists any specific questions that you may have about potential courses you may wish your children to consider taking at Key Stage 4.

It would be most helpful if you could attend the Information Evening on Thursday with your children where Mr Paziuk, Mrs Burke and I will explain the next stages of the option process and address any questions you may have. I look forward to seeing you on Thursday.

Yours sincerely,

Mr A.D.Lear  
Assistant Headteacher
