

**Teachers of Science  
Required for Easter 2017  
Salary MPS 1-6/UPR – TLR 2B**

This is an exciting opportunity for a dynamic, passionate and experienced Teacher of Science to develop their career in a highly supportive environment. The successful applicant will be responsible for developing teaching and learning within the department and will join the school's teaching and learning team. St Chad's is a community driven by Christian values of Compassion, Cooperation, Stewardship, Respect and Honourable Purpose. Ofsted described students as 'shining lights' for the philosophy of *'faith in God, faith in ability and faith in each other'*.

St Chad's is transforming professional practice through the Teacher Enhancement Effectiveness Programme (TEEP) and there is a real buzz about teaching and learning for students and teachers alike. St Chad's has amazing professional development opportunities which are second to none alongside a comprehensive induction programme.

For those passionate about teaching methodology, underpinned by research, St Chad's is the place to be.

You will be an outstanding practitioner with the ability to teach general science across all abilities and key stages KS3-4 with the ability to teach at KS5 would be an advantage.

Further details including how to apply visit
