27<sup>th</sup> March 2017

Dear Parents/Carers,

I would like to take this opportunity to inform you of the Easter workshops that are in place to help to support year 11 students as they prepare to take their examinations which start in May. You will find a timetable for the workshops on the back of this letter. It is important that the students make the most of these opportunities and attend the workshops that are relevant to them. Subject teachers will give the students more details of the topics to be covered.

Students should be working for at least 2 hours per night either on homework tasks, past papers or revision. Parents can support this process by helping the students to plan their work, ensuring that homework tasks are completed and ensuring that students are balancing work and leisure time to help to minimize stress.

Should you wish to clarify anything about the Easter workshops or if you need any further information please contact me or Mr Maltby at the school.

Yours sincerely,

Mrs D. A. Burke  
Deputy Headteacher
