

**Teacher of Science
Required for September 2017**

This is an exciting opportunity for a dynamic NQT or an experienced teacher to develop their career in a highly supportive environment. St Chad's is a community driven by Christian values with Ofsted describing students as 'shining lights' for the philosophy of *'faith in God, faith in ability and faith in each other'*.

St Chad's is transforming professional practice through the Teacher Enhancement Effectiveness Programme (TEEP) and there is a real buzz about teaching and learning for students and teachers alike. St Chad's has amazing professional development opportunities which are second to none alongside a comprehensive induction programme.

You will be an outstanding practitioner with the ability to teach general science across all abilities.
